## **ANN'S ANGELS ADAPTIVE WATERSKI FOUNDATION**

Dear Sponsors,

I am sending this to you as an avid follower of our adaptive water ski foundation - Ann's Angels AWF. We are surging forward with the 2019 season and are looking for sponsors and promoters to help us advertise our incredible program and what it does for so many disabled individuals all over our state and nation.

Ann's Angels help to raise awareness for those with physical and mental disabilities as well as showing them and their families what physical activity can do for those who need it the most. Our clinic program by now has become a life line for people in the health industry that are looking to add a unique addition to their sports programs for those with disabilities. We travel around the state of Florida, and around the country conducting clinics, participating in expos and teaching other organizations how to do a safe and organized clinic with their programs.

Now it is time for us to raise the funds to promote the 2019 and 2020 season and we are asking you to be a part of our trip this year. Below are our promotional materials we will be printing and using this year to promote and show the country what we can do with water skiing in the disabled community. We hope you will join us with a donation - have your logo placed on our Water Cover ups, Banners and T-Shirts and more for the 2019 season.

Each Promotional item is \$100 per category. So, to have your Company Logo on all four of our regular items, T Shirts, Water Covers, Banner and Trailer, it will only be \$400. We hope that you will consider advertising with us and take this incredible journey with us, as we embark on another great season with Ann's Angels.

We will also have opportunities to advertise on our web site, Trailer and Skis for 2019. If interested, please contact us and inquire directly.

Thank You and please forward your info and donations to Ann's Angels at [annsangelsawf@gmail.com](mailto:annsangelsawf@gmail.com) or PO Box 1655 Winter Haven Florida 33882-1655 or John Lipscomb 4699 Costa Bravo Dr Orlando Florida 32839.

### Water Cover Ups

FRONT

BACK

Our Cover-up Shirts are what our Volunteers that go into the water at our clinics wear as a visual reference and a safety device. for two reasons. The color helps to make them visible and Identifiable to anyone from a distance on or off the water that they are a volunteer and that they can be seen in any water or background we encounter at our events. Two the cover helps to keep straps a buckles from being graced or disconnected during water activities. This gas us an opportunity too advertise our program via our logo and the logos of our supporters. Our cover-ups are one of the most photographed and videoed aspects of our program and a great way to show your support for the Angels Volunteers and the program.

## T Shirts

**FRONT**

**BACK**

**Our Angel T-Shirts are the most abundant way to show off your appreciation for our program. They are our work shirts, play shirts and our give away shirts. Every Volunteer and Every participant in our program is given a shirt to wear proudly that they are apart of the Ann's Angels Family. From Xs to 3x these Shits are coveted as honored mementos of a great experience with Ann's Angels. To have your logo on theses shits shows you support this experience and what is stands for.**

### Trailer Wrap

Our Trailers are a great way to Spread the word that you support Ann's Angels as we roll to the next event set up, displayed on site and head home as well as being displayed on site at the Lake House. Your logos go with us everywhere and they show your support of the Angels network and the belief that an active life style supports a better and longer live for all.

Ann's Angels will have a second Trailer available in 2019 so your donation will support a two for one deal as we set the new trailer up and display your logos on the new trailer as well as the original.

The first panel is our web site front page at the top [www.annsangelsawf.org](http://www.annsangelsawf.org) Just under that on the front page is our Advertising panel that is in the second image. Your add would go above the words *"Ann's Angels Adaptive Waterski Foundation Inc is a Public Nonprofit Donations are always tax deductible"*. This is where we can put anything as far as logos, images, text, links and video. What ever you would like to do as long as it dose not over take or paint a bad image on our site we will work with you on it. The third panel is our Friends and networks page. We would like to post an image or logo and a brief intro to the business and a link button to their web site. Last the bottom panel is a sponsors panel with logos and links to the web sites as well but this panel appears at the bottom of every page on our web site.
